

Nurse Aide I at BCCC

YOU BELONG HERE

Nurse Aide I (NAI), Certified Nursing Assistant (CNA) or Nursing Assistant

What is a CNA?

A valued, unlicensed member of the health care team, responsible for providing delegated nursing tasks, within a defined range of function for residents (patients, clients) in a variety of settings and who is listed on the NC Nurse Aide I Registry

Responsibilities of a NAI: providing basic nursing, personal, and interpersonal skills needed to provide safe, competent care under the supervision of a licensed nurse.

- **Program requirements are discussed in detail on the first day of class.**

Program Requirements

- Hybrid course has 44 hours of online instruction. Student will need to be able to access Blackboard and attend in person for lab and clinical instruction.
- Student is responsible for: books, background check, immunizations, drug testing, and transportation to clinical site(s).
- Course requires clinical experience at a long-term care facility. Clinical facilities require a background check, drug testing, and current immunizations.
- Student is responsible for purchasing CastleBranch. CastleBranch is a 3rd party vendor used for background check, drug testing and immunization documentation (\$90). Convictions or unsubstantiated drug tests are reviewed and determined by the clinical facility. Clinical facility decision is final.
- Student is responsible for ensuring immunizations are up-to-date. Cost will vary depending on immunizations needed.
- Uniform: Price will vary depending on your place of purchase.
