

The purpose of ACCUPLACER placement tests is to provide you with useful information about your academic skills in math, English, and reading. The results are used by academic advisors to determine your course selection.

Tests are administered in the Testing Center, Bldg. 9-927. Allow plenty of time to avoid rushing. Relax before the testing begins.

An ACCUPLACER study guide is available online at [www.beaufortccc.edu](http://www.beaufortccc.edu). Go to Future Students and select Placement Testing.

Placement testing is mandatory for all students taking curriculum level courses with a developmental prerequisite. **All testing is done by appointment and an admissions application must be completed prior testing.** To schedule an appointment, call the Admissions office at 252-940-6237.
