

## Procedure 3.0022

### Awarding of Posthumous Degrees Procedure

At the discretion of the president, the College may award a deceased student a posthumous, honorary college credential in recognition of their achievements at Beaufort County Community College under the following conditions:

1. The deceased student is in good academic standing and has earned a minimum 2.0 grade point average.
2. The deceased student has been enrolled in the college within the past two years.
3. Students that meet the above criteria will be recognized at graduation.

Individuals associated with the deceased student may submit requests to the vice president of student services. The vice president of student services will work with the Registrar's office to verify that the minimum requirements have been met.

The vice president of student services or the president will notify the requestor once a decision has been made:

- If the request is approved, the honorary award will be provided with the appropriate paper degree/diploma/certificate.
- If the minimum requirements above are not met, the vice president of student services will determine if the circumstances warrant the awarding of a Certificate of Academic Achievement.

If a Certificate of Academic Achievement is awarded, the Registrar's office will provide it to the requestor. No notations of this certificate will be made on the deceased student's transcript.
