Procedure 3.0913

Developmental Education Procedure

The purpose of developmental/support education is to support the open-door policy of Beaufort County Community College by providing a comprehensive education program with a commitment to excellence, a positive learning environment for a diverse population, opportunities for adults to master basic skills, and opportunities and services to enrich the quality of community life. The main objective is to provide students with the knowledge and skills needed to attain their personal, academic, and career goals. The following courses are in addition to curriculum graduation requirements:
ENG 011 Writing and Inquiry Support
MAT 001 Math Skills Support

Qualifying for Developmental/Support Education

1. Students will be placed in accordance with their unweighted high school GPA. There is no expiration on unweighted high school grade point average. If a student does not have an unweighted high school grade point average or has an unweighted high school GPA below a 2.2, the student must take the RISE placement test. Students may also bypass transition courses and/or co-requisite courses by providing evidence of scores in a variety of measures including, but not limited to, the SAT, ACT, NC DAP placement tests. Score requirements in these areas can be found by contacting the Admissions and Records office. If a student has GED/HiSet scores they may contact Admissions and Records office to discuss options. Students should see their advisor or the counseling department for more information.

2. Placement test scores do not have an expiration date.
