

Procedure 3.0914

Prerequisite Procedures

Beaufort County Community College adheres to the prerequisite/corequisite requirements of the North Carolina Community College System's Combined Course Library (CCL). The college also requires students to meet any locally added prerequisite/corequisite requirements. Exceptions to these requirements may be allowed in the following circumstances:

1. Developmental prerequisites or corequisites for curriculum-level courses may be waived if:
 - a. A student receives transfer credit for appropriate developmental course work.
 - b. A student receives transfer credit for ENG 111 and/or the first required curriculum mathematics course.
 - c. A student holds an Associate in Arts, Associate in Science, baccalaureate, or higher degree from a regionally accredited institution in which English was the language of instruction.
2. Students may be awarded college-ready competency for SAT/ACT scores. Please check with the Office of Admissions and Records or your advisor for more information.
3. An advisor may enter a prerequisite waiver in Colleague with documentation showing a student meets all state prerequisites.

Note: Reference also should be made to the [Credit for Prior Learning Student Handbook](#) which will assist students by introducing the various methods available at BCCC for obtaining credit for college-level work obtained outside the traditional classroom experience.
