

Why CCP Workforce Pathways?

- Earn FREE industry-recognized credentials while completing a high school diploma. \$180 registration fees waived.
- Remain a part of your high school student body and participate in athletics, clubs and activities along with your high school classmates.
- CCP classes will be offered on our campus or online.

Small Engine Mechanic

Description: The small engine mechanic course is a 225-hour course that explores the principles of small gasoline and diesel engine design, construction, and operation. The course presents a detailed overview of small engine maintenance, troubleshooting, rebuilding, and repair. Content relates to on- and off-road vehicles, and industrial applications. Each EETC credentialing exam costs \$50.00. Retesting fees do apply.

Industry Credential: Two Stroke Engine, Four Stroke Engine, Compact Diesel Engine (Completion of all three qualify individual as an EETC Engine Technician); Equipment & Engine Training Council (EETC)

Prerequisite: Students must be an 11th or 12th grader with a GPA of 3.0. The GPA requirement may be waived with a school principal's approval.

Participating School Districts: Beaufort County Schools (Northside High School is not approved)

Costs: Students are responsible for cost of books and fees.

What is Career & College Promise?

Employers in today's workforce are facing a skills gap; they need trained and qualified workers to fill a variety of positions. The Career and College Promise (CCP) Workforce Pathways are designed for eligible high school juniors and seniors to earn industry-recognized credentials while still in high school...for FREE! The registration fee for the pathway courses is waived for eligible 11th and 12th graders. Students will be responsible for purchasing textbooks and paying local course fees associated with the course.

Where Do I Begin?

Beaufort County Community College is a public, comprehensive community college that provides open-door access to university transfer, workforce development, and life-long learning programs for the people of Beaufort, Hyde, Tyrrell, and Washington Counties.

BCCC maintains an open door admissions policy. This policy provides admission to any person who has reached the age of 18 or whose high school class has graduated. High school student applicants 16 years of age or older may be admitted into credit and continuing education courses in accordance with the dual enrollment policies adopted by the state. Applicants are admitted regardless of race, gender, age, religion, national origin, disability or political affiliation.

Beaufort County Community College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate degrees, certificates, and diplomas. Visit www.beaufortccc.edu/about/accreditation for more information.

CCP Workforce Pathways

Emergency Medical Technician (EMT)

Description: EMT is a 16-week, 228-hour course introducing students to emergency prehospital care. Upon completion, students will be credentialed to provide emergency care at the EMT level. The schedule includes online course components along with weeknight and Saturday sessions.

Industry Credential: EMT Initial state credential through NC Office of Emergency Medical Services

Prerequisite: Students must be a 12th grader with a GPA of 3.0. The GPA requirement may be waived with a school principal's approval.

Participating School Districts: Beaufort County Schools, Hyde County Schools, Washington County Public Schools, and Washington Montessori Public Charter School.

Costs: Estimated \$250 book & fees.

Commercial Driver's License (CDL) Truck Driving

Description: The Truck Driver Training program at BCCC will train students to drive a Class-A combination vehicle and prepare students for their pre-trip inspection, off road skills test and the driving test, which are all components of the NCDMV commercial driver's license (CDL) exam. This is a 384-hour hybrid program which involves online assignments each week paired with hands-on driving training each weekend. The course includes log truck driving training with the potential to pursue post-course employment with a local logging company.

Industry Credential: NC Department of Transportation Commercial Drivers License

Prerequisite: Students must be 18 years of age with principal's approval. Students must hold a CDL Class-A permit, valid DOT Health Card, and negative DOT Drug Screen results at the time of registration.

Participating School Districts: Beaufort County Schools, Hyde County Schools, Washington County Public Schools, and Washington Montessori Public Charter School.

Costs: Estimated \$350 book & fees.

Heating, Ventilation & Air Conditioning (HVAC) Technician

Description: HVAC Technician is a three-course sequence consisting of HVAC Level I, HVAC Level II, and HVAC Level III. The classes provide both classroom instruction and practical skills that will allow a student to enter the workforce as an HVAC installer or technician. Each course meets for 96 hours.

Industry Credential: HVAC Level I offers the ESCO Group EPA Section 608 credential. HVAC Level II offers the ESCO Group Universal R-410A exam. HVAC Level III offers the ESCO Group Employment Ready for System Diagnostics and Troubleshooting credential.

Prerequisite: Student must be an 11th or 12th grader with school principal approval to enroll.

Participating School Districts: Beaufort County Schools, Hyde County Schools, Washington County Public Schools, and Washington Montessori Public Charter School.

Costs: Estimated \$80 books and fees.

Nurse Aide I

Description: This is a 160-hour course designed to prepare the student to provide personal care and basic nursing skills. Course content includes but is not limited to: role of the nurse aide, infection control, communication, and resident's rights.

Industry Credential: Nurse Aide I with NC Department of Health Service Regulation

Prerequisite: Students must be a 12th grader with a GPA of 3.0 or a principal's approval. Silver Career Readiness Certificate or passing scores on approved college placement exam.

Participating School Districts: Beaufort County Schools (Ed Tech & Washington High School only), Hyde County Schools, Washington County School, and Washington Montessori Public Charter School.

Costs: Estimated \$270 for book and fees.

Phlebotomy Technician

Description: This is a 16-week, 210-hour course consisting of theory and clinical experiences, which prepares the student to enter the medical field as a Phlebotomist in various settings. Core course concept is instruction in how to safely and competently draw blood. Students who successfully complete this course will receive course credit for MLT-271 in the BCCC Medical Lab Technician curriculum program.

Industry Credential: Phlebotomy Technician certification with American Society of Phlebotomy Technicians (ASPT)

Prerequisite: Students must be 18 years of age on or before March 15 and a 12th grader. Student must hold a Career Readiness Certificate at a bronze level.

Participating School Districts: Beaufort County Schools, Hyde County Schools, Washington County Schools, and Washington Montessori Public Charter School.

Costs: Estimated \$678 book and fees.

Pharmacy Technician

Description: This is a 96-hour course designed to prepare the student through classroom instruction to enter the pharmacy field as a Pharmacy Technician I. Core course concept is basic training in pharmacy and pharmacology. Student will complete 10 hours of shadowing at an assigned pharmacy as part of their training.

Industry Credential: Pharmacy Technician with Pharmacy Technician Certification Board

Prerequisite: Students must be a 12th grader and hold a Career Readiness Certificate at a bronze level.

Participating School Districts: Beaufort County, Hyde County Schools, and Washington Montessori Public Charter School.

Costs: Estimated \$250 book & fees.
