### Return of State Funds Policy

SEA (State Educational Agencies)-Administered State-Funded Grant Programs  
State-Funded grants are provided to assist students with the cost of attendance on the assumption that the students will attend college for the entire term for which the funds are awarded. When a student withdraws before the end of the term, Beaufort County Community College must determine how much, if any, State grant funds must be returned. The amount that BCCC must return depends on when the student withdraws. Funds must also be returned for changes in enrollment and eligibility status.
