Course Substitution Procedure

Students may substitute comparable higher level general education courses in A.A.S. degree programs if the faculty advisor and placement tests indicate success potential. Students desiring to substitute higher level general education courses should inform their advisor at the time of registration.

Substitution of one course for another may be considered when the action is in the best interest of the student and the substitution supports the educational goals and objectives of the student. Course substitutions must be approved by the lead instructor, Dean, and Vice President of Academics.
