Small Business Center Core Curriculum

Students who complete all five classes will receive a certificate of completion. 

How to Start a Small Business

David Mayo will answer questions like: Are you ready to start a business? What are the advantages and disadvantages of a new business? Where do I obtain permits and licenses? What tax information is needed and where do I find it? How do I maintain objectivity?

 3:00 pm-5:00 pm Mon. May 11 Fee: No Charge 2 hrs. HCDC

How to Write a Business Plan

Starting a small business is a huge step for anyone. David Mayo will help students with the fundamentals of writing a business plan (key to seeking funding), the foundation for success when making a decision to start a new business or acquire an existing business.

 5:30 pm-7:30 pm Mon. May 11 Fee: No Charge 2 hrs. HCDC

Marketing and Advertising for Your Business

Drawing attention to your business is tougher than ever before. Large chain stores, a challenging economy, the Internet, etc. have made the small business venture often times frustrating. BUT you can take matters into your hands and discover what you can do to bring customers to you. In this seminar David Mayo will teach low cost advertising/marketing strategies and methods, creating a marketing plan, scoring greater sales with current customers, and other "tricks" of the trade.

 3:00 pm-5:00 pm Mon. May 18 Fee: No Charge 2 hrs. HCDC

Financing Your Business

Starting your own business is part of the American dream. You've given this thought and sought advice. You are just about ready to begin. Then you ask yourself; how do I finance my business; who can give me good, solid, reliable advice; are there loans/grants available to assist me?; what should I be aware of? David Mayo will help you answer these questions.

 5:30 pm-7:30 pm Mon. May 18 Fee: No Charge 2 hrs. HCDC

Recordkeeping and Taxes for Small Business

Do you know your product or service upside down and backwards, BUT the numbers just drive you up the wall? Do you really work hard, but always seem to run out of cash at the end of the month? This seminar will help you understand the financial aspects of your business. We'll talk about tax issues and confusing financial terms that are the road map to your success. Keith Kidwell is your presenter. You will learn... What makes your business thrive and grow? What is a CPA and when and how do you use them? How to understand financial statements. What your banker is looking for? What federal and state reports are required? If I made that much money, where is it?

 2:00 pm-5:00 pm Mon. June 1 Fee: No Charge 3 hrs. HCDC

COLLEGE & CAREER READINESS

Adult Basic Education and High School Equivalency

The Adult Basic Education (ABE) program supports the development of reading comprehension, mathematical reasoning and computation, and language and writing skills at pre-high school levels. This lays the foundation for students seeking a high school equivalency credential. The High School Equivalency (HSE) Preparation program offers instruction in all areas relevant to official HSE credential tests. Classes have been aligned to the common core standards adopted by the state of North Carolina. Instruction for College and Career Readiness programs is available at all BCCC campuses. HSE prepares students to take either Pearson Vue's GED or ETS HiSet exams.
