COLLEGE & CAREER READINESS

Adult Basic Education and High School Equivalency

 The Adult Basic Education (ABE) program supports the development of reading comprehension, mathematical reasoning and computation, and language and writing skills at pre-high school levels. This is designed to lay the foundation for those students who will go on to seek a high school equivalency credential.

The High School Equivalency (HSE) Preparation program offers instruction in all areas relevant to official high school equivalency credential tests. Classes have been aligned to the common core standards adopted by the state of North Carolina. Instruction for College and Career Readiness programs is available at all Beaufort County Community College campuses. HSE prepares students to take either Pearson Vue's GED or ETS HiSet exams.

WORKFORCE PROGRAMS

National Career Readiness Certification (NCRC) Prep Classes

Credential: National Career Readiness Certification, ACT

 This is a specialized course lab designed to assist individuals with earning their National Career Readiness Certification (NCRC). Students may enroll or join this class at any time. It is an open enrollment lab. NCRC is a nationally recognized portable credential that measures employability skills in three areas: Reading for Workplace Documents, Applied Math, and Graphic Literacy. Many companies either require or give preference to job applicants that have a NCRC. Fee Waivers for the registration fee are available for qualifying individuals. Individuals wishing to pursue their NCCRC will pay a \$39 testing fee at the time of testing. Students seeking to earn their NCRC are strongly recommended to participate in the NCRC Prep Class prior to sitting for the NCRC test.
