Program of Study: \_\_\_\_\_ Anticipated Graduation Date: \_\_\_\_\_

Federal regulations require that you meet Satisfactory Academic Progress (SAP) standards to maintain your eligibility for federal financial aid. You must make progress toward a degree according to three standards: GPA, Completion Rate, and Maximum Timeframe.

Federal regulations allow students to appeal financial aid standings with proper documentation, only when special circumstances existed that caused a student to not meet one or more SAP standards. Special circumstances include:

- Death of an immediate family member or close relative (i.e. spouse, parent, grandparent, sibling, child, etc.)
- A serious injury or illness (physical or mental) that required medical intervention
- Significant, unanticipated family obligations due to medical issue or illness
- A catastrophic loss due to fire, flood, or natural disaster that affects the student's attendance or performance
- An unsafe or abusive environment
- Change in personal circumstances (divorce, homelessness, loss of income, employment changes, etc.) that prohibits the student's successful completion of coursework
- Other extreme circumstances (case by case basis)

The following circumstances are not considered extenuating and beyond the student's control:

- Lack of knowledge/understanding of the BCCC SAP Policy
- Medical appeals for illness/injury that do not coincide with the semester(s) of sub-standard academic progress
- Work/scheduling conflicts (including voluntary overtime)
- Acclimation issues regarding being in a college setting
- If you've previously submitted an SAP appeal with the same extenuating circumstance(s) and you are still not meeting SAP requirements

Below is a list of possible circumstances and the suggested supporting documentation. Please note, the following list is not exhaustive. Providing an extenuating circumstance with supporting documentation from the list below does not guarantee approval. All appeals are reviewed on a case-by-case basis for legitimacy and merit.

Possible Circumstance	Suggested Documentation
Death of a family member or close relative	Obituary/Death Certificate
Serious injury or illness of you or family member	Documentation from you (or your family member's) medical provider or insurance provider
Military Duty	Official Military Orders
Unsafe or Abusive Environment	Police Records, Court/Legal Documents, Restraining Orders
Employment changes	Statement from Employer, Unemployment Statement

Students who wish to appeal their unsatisfactory financial aid status due to special circumstances, **MUST submit the completed SAP appeal form to the financial aid office PRIOR to the 10% point of the term for which a student is seeking reinstatement of financial aid.** Late appeals will NOT be accepted! Appeal decisions will be emailed to students BCCC email upon conclusion of the appeals committee review. All appeal decisions are final and cannot be appealed further at the college.
